MEMBERSHIP REQUIREMENTS AND DUES

Anglers participating in the KBNJR Tournament Series will be required to be a member of an affiliated Junior club. If a Junior club does not exist in your area, then anglers may join/start a Junior club (requires at least two (2) members).

Clubs are responsible for collecting the annual membership dues for B.A.S.S., which amounts to \$30.00 and their club dues. The Kansas State Bass dues will be collected through the Fishing Chaos App.

B.A.S.S. Nation National Dues	\$30.00

Kansas B.A.S.S. Nation State Dues	\$20.00
-----------------------------------	---------

Every angler is required to pay the annual B.A.S.S. Nation National and KBN State dues as well as any dues associated with their club. Club fees may vary and may be collected in addition to the annual membership dues above. Every angler must be in good standings with their club, KBN, and B.A.S.S. Nation to compete in the KBNJR Tournament Series.

KBN State dues can be paid online via Fishing Chaos under the KBN Youth Banner. KBN will only accept the State dues from a club advisor/faculty member on the day of the tournament. Checks shall be made payable to the KANSAS B.A.S.S. Nation Youth. **No dues will be collected by the KBN on an individual basis from the anglers or parents. The B.A.S.S. Nation National dues can be paid online by club/faculty adviser member at B.A.S.S. Nation (bassmaster.com).**

ALL DUES MUST BE PAID PRIOR TO THE ANGLER FISHING THEIR FIRST EVENT OF THE SEASON.

TOURNAMENT REGISTRATION

Upon registering and paying for an event, tournament anglers and boat captains agree they have read all tournament rules and understand to its entirety.

All registration will be on Fishing Chaos thru Kansas Bass Youth Trail.

The entry fees for all KBN High School Tournaments will be \$40.00 per team. **Teams have until Thursday at 11:59 pm CST, prior to each event, to register. No entries will be accepted after Thursday at 11:59 pm CST prior to each event.** No registrations will be accepted the morning of the event. NO EXCEPTIONS.

INSURANCE REQUIREMENTS

All boat captains operating a boat on tournament waters during the actual competition days of an KBNJR Tournament must submit a current copy of their boat insurance policy as proof of insurance to the Tournament Officials. The policy must contain coverage of at least \$300,000 combined limited liability boating insurance, specifically name the boater as an “insured user” and have the expiration date printed on the policy. If entering more than one tournament, a copy of the valid insurance policy must be on file with the KBN. Tournament officials at any time may randomly request a copy of a boater’s insurance policy during the tournament. Failure to produce an active policy could result in a loss of that day’s weight.

TOURNAMENT FORMAT

The KBNJR Tournament Series will include Six (6) tournament days during the school year. There will be a minimum of 3 tournament days in the Fall and Spring. You can fish up to 4 tournament days for the year.

PARTICIPATION POINTS

Every team participating in an KBN tournament will receive 25-participation points for fishing a tournament, regardless if the team weighs-in a fish or not. Teams must fish the tournament day to receive participation points.

If a tie should occur between two or more teams, the tie breaker will be the team with the largest number of legal fish weighed in during the tournament. Should a tie remain, then the team with the largest number of legal LIVE fish weighed in during the tournament will prevail. In the event a tie still exists, both teams will receive the same points for the tied position.

BIG FISH

At each tournament during the season, a big fish prize will be awarded to the Team with the largest fish of the day.

TEAM OF THE YEAR

Using the point system above, the Statewide Trail will determine Team of the Year, which will be awarded to a team that has fished 4 tournaments during the season and has the highest points of the 4 tournaments.

If a partner cannot fish an event because of a scheduling conflict, the other partner can fish it solo and points will be awarded as a team. You must fish two events with a partner. If you change partners during the season, you will lose points and start over.

STATE CHAMPIONSHIP QUALIFIER

The KBN will conduct a two-day State Championship Tournament after all Qualifiers are complete. The location and date of the State Championship Tournament will be established by the Tournament Director. To Qualifying for the State Championship, you will need to be in the Top 40% of teams in the Team of the Year standings for the high school.
